WHO WE ARE?

The London Juice Company (Namar Limited) is a UK-based company that offers an extensive range of ready-to-drink beverages and mineral water. Our commitment to quality and safety is reflected in our production plants located in Far East countries such as Thailand, Vietnam, Malaysia, and Turkey. Our high standards for hygiene and excellence ensure that our ingredients are of the highest quality and safety.

We take pride in offering an extensive range of products with exciting and interesting flavors, ensuring that every sip is a unique and satisfying experience. Our innovative approach to beverage production sets us apart from the competition. We offer a wide variety of flavors, including traditional fruit flavors such as apple, mango, and strawberry, as well as unique flavors like pink guava, passion fruit, and mojito. In addition, we offer customized flavors to suit the specific needs and preferences of our customers.

Our products are successfully distributed globally, reaching customers in America, Europe, the Middle East, Asia, and Africa. We have established long-lasting partnerships with distributors in many countries, allowing us to expand our business efficiently and effectively. We welcome collaboration with potential clients to ensure that our products are available to all.

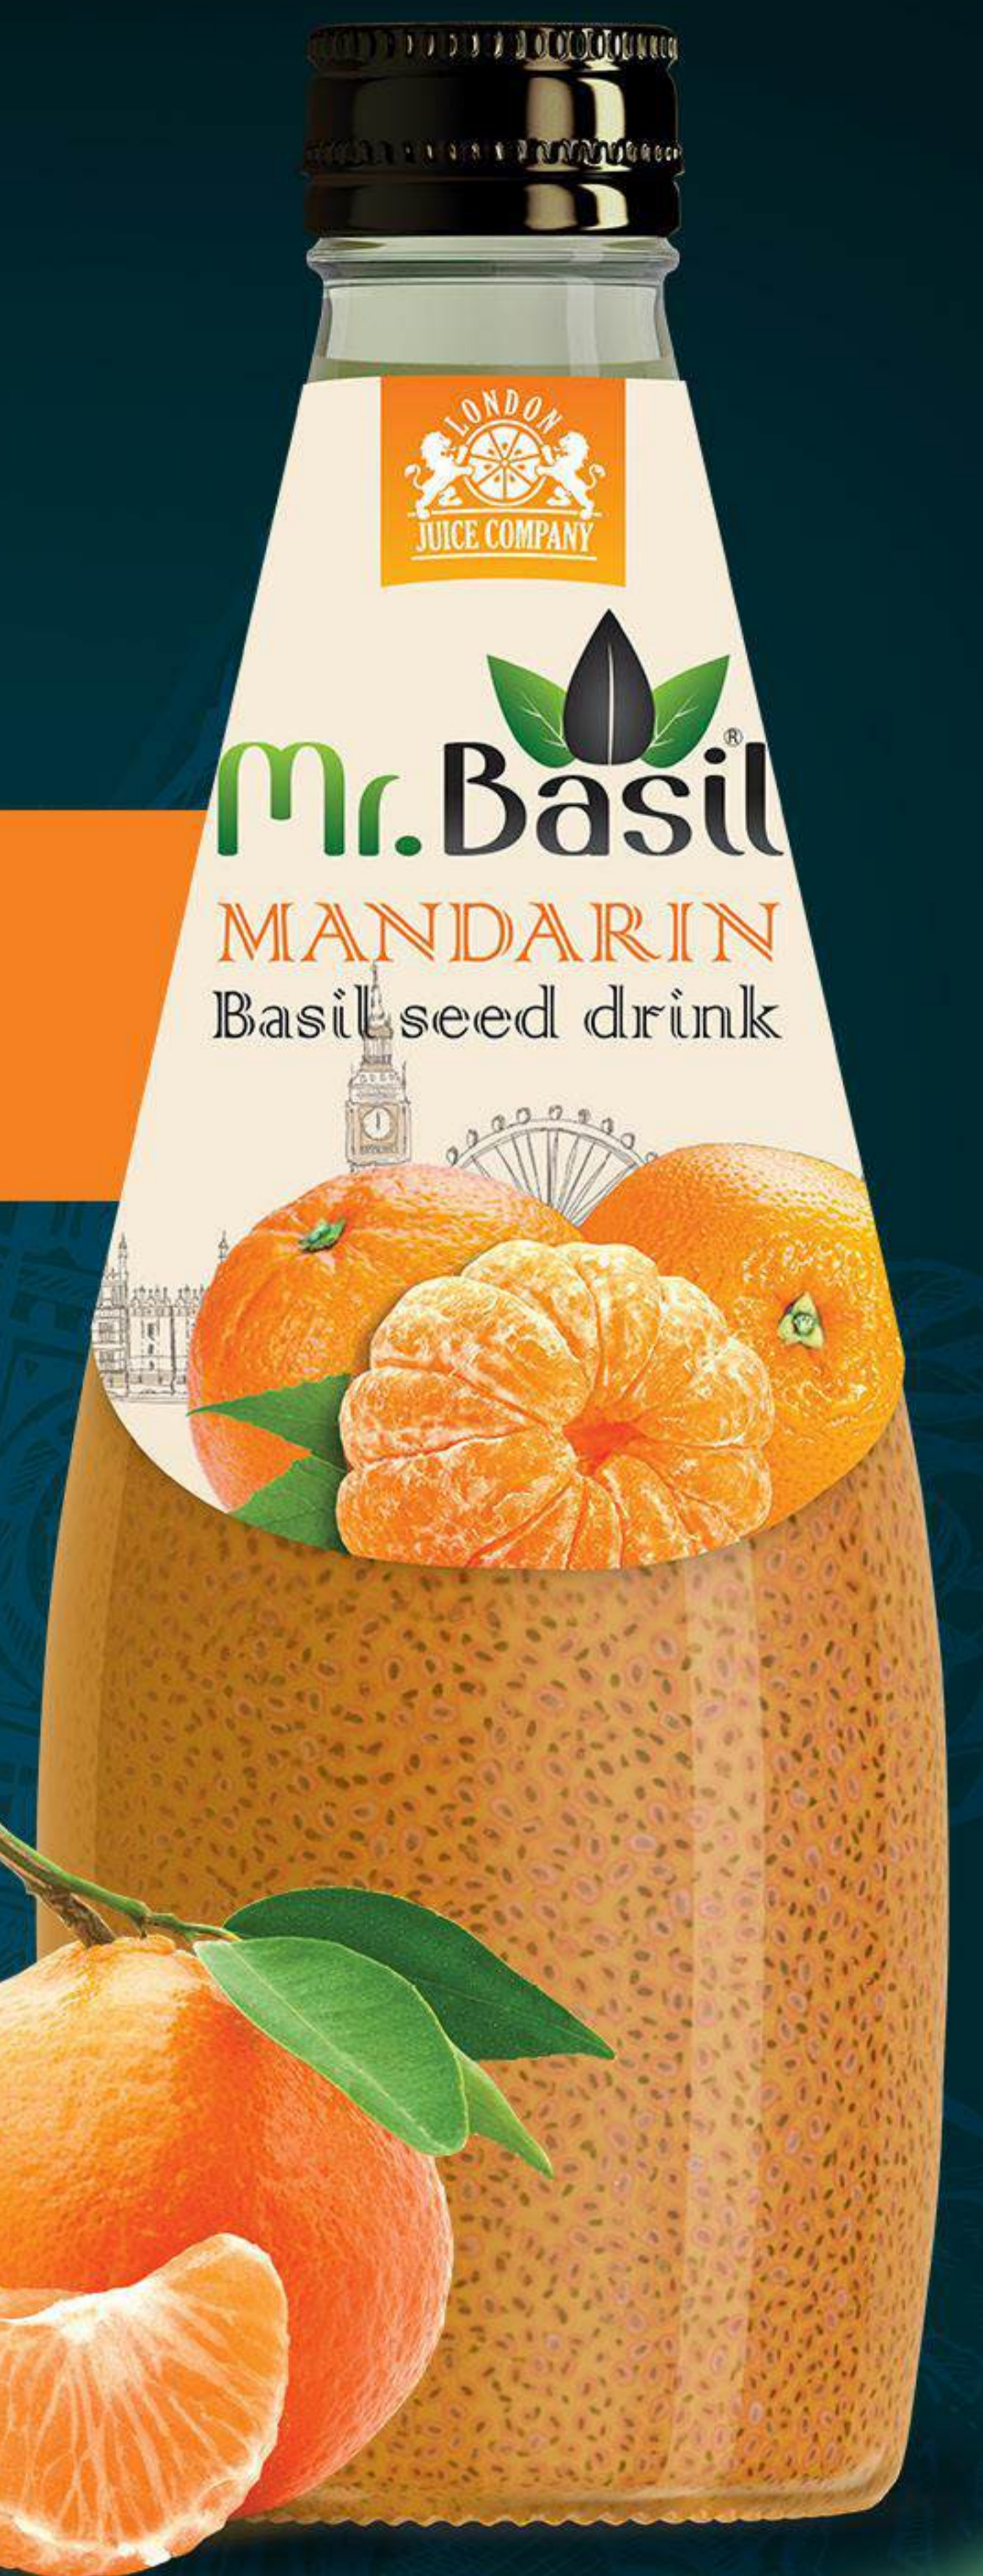

At The London Juice Company (Namar Limited), we are committed to providing our customers with high-quality, delicious, and healthy beverages. Whether you are looking for a traditional fruit flavor or a unique and exciting twist, we have something to satisfy your thirst.

The London Juice Company is the trading name of Namar Limited.
